I further acknowledge that a copy of the current notice is available at the front desk and online, and that I may request a copy of any amended Notice of Privacy Practices at any time.

I request the following restrictions be placed on the Practice's use and/or disclosure of my health information (leave blank if no restrictions):

# Release of Information

I authorize Breakthru PT & Fitness to release information from my medical record, whether it be written, video, photographic, audio or verbal, to my physician and/or any third-party payor or other entity providing payment for my health care (such as insurance company, employer, or governmental agency) for its use in processing claims for payment. I understand the nature of the authorization and have been informed that I have the right to revoke consent at any time by written communication with custodians of records. I consent to the release of medical information for communication and care coordination on my behalf to:

# **Assignment of Benefits**

I request that payment of Medicare and/or other insurance benefits be made on my behalf to Breakthru PT & Fitness for any services furnished by Breakthru PT & Fitness.

# **Financial Agreement**

The undersigned agrees, whether signing as agent or patient, that she/he individually obligates her/himself to pay for services rendered in accordance with the regular rates and terms of Breakthru PT & Fitness. Breakthru PT & Fitness will verify insurance benefits on behalf of the patient as a courtesy. #### **Insurance Benefits**

Please understand that your insurance policy is a contract between you and your insurance company. While we may accept your insurance as payment, your contract with us is a separate agreement. In other words, if your insurance refuses to cover a certain treatment or otherwise fails to pay us, your contract with us still exists and you are responsible for payment personally.

# Your Responsibility

**Co-pays, deductibles, and self-pay payments** are due at the time of service. We accept Mastercard, Visa, cash, check or money order **only.** We will assist with a budgeted payment plan based on individual need. In any event, if you request such a plan, this will be set up directly with our practice billing department. If at any point you have a problem regarding billing and payment please speak with the Office Coordinator of the clinic.

# **Cancellation Policy**

We require 24 hours notice in the event of a cancellation. It is your responsibility when you call in to have an alternative time in mind that will ensure you receive your full prescribed number of treatments that week whenever possible. There is a \$25.00 charge for a no show or cancellation without proper notice. This charge will not be covered by your insurance company, and will have to be paid by you personally. You should understand that when you no-show, three people get hurt: 1) yourself, because you are not receiving the treatment you need as prescribed by the doctor and our staff, 2) the therapist, who now has a "vacancy" in their schedule since the time was personally reserved for you, and 3) another patient, who could have been scheduled for treatment if you had given us proper notice.

# **Arrival Policy**

If you are late, we may not be able to provide your full treatment.

If you arrive early we will do our best to get you in as soon as possible. Most of the time you'll have to wait until your scheduled time to be seen because there are other patients who are still in treatment.

The undersigned patient or Responsible Party acknowledges that he/she has read and agrees to the information printed above.
